

How Well-Rounded is your Homeschooler?

In each section, list everything your student has been involved in within the past year that applies. Rate each mention from 1 to 10 denoting either progress, improvement, or excellence. Tally how many items are listed in each section and/or tally up the ratings in each section to assess your student's overall education and development. For help, refer to the instructions & sample, filled-in graph at: www.Our-Holistic-Homestead.com {search "how well-rounded is your homeschooler"}
